Bathroom renovation 10 / 10

Works consisted of total bathroom renovation including removal of a non-structural wall and completely new layout. From the initial quote it was clear that Bobby is a very experienced builder and he was able to point out potential problems (which meant I could be confident these were already taken into account in the quote) but was also able to offer practical solutions to any issues he could see. During the works I was kept well informed of progress and the standard of the works is absolutely fantastic. I am hoping to get them back to do my kitchen upgrade soon. Would definitely recommend. **Customer in London, 10 February 2018**

Full bathroom renovation. 9.5 / 10

Panther Services did a great job of our bathroom. Bobby managed the project extremely well and kept us very well informed the whole time, Stan (the installer) was extremely diligent and polite and executed the job to a very high standard. They made a real effort to keep things clean and tidy, Bobby was present whenever he needed to oversee the work, he accepted all of our requests and explained things to us in detail where needed. I would definitely recommend Panther Services. **Customer in London, 16 January 2018**
